

## Ten artists first-time buyers should invest in now

Toronto Life, November 24th 2010

1. Alex McLeod, Enchanted Return, 2010, MOCCA, Toronto

McLeod is usually represented by Angell Gallery; these otherworldly digital landscapes were created as a fundraising effort for Toronto's Museum of Contemporary Canadian Art. His last show sold out in record time, and this piece is exceptionally affordable at \$850. What appears to be a photograph of a real miniature is actually a digital creation. Often priced much higher, McLeod's works are to be collected now, before his career heads skyward.
